GET CARE

1

To see a clinician, **select a provider** from the Texas Blue Chip webpage. The page can be accessed through the QR code found above and on the back of a chip or at: www.mmhpi.org/project/texas-blue-chip-program/

2

Schedule an in-person or telehealth appointment with the provider you selected.

3

Attend your appointment. Simply present your officer credentials to receive pre-paid services. The provider will not collect additional payment or insurance information at this time.
